IS THIS JUSTICE?

Most people agree that State spending needs to be reduced to restore fiscal viability to New York. However, programs to help the poor and working poor are at greater risk of indiscriminate cuts, because the poor do not have the political influence of powerful, special interest groups. Is this justice? As Catholics, we must be vigilant, encouraging our representatives to apply prudence and intelligence to budget decisions. Short-sighted decisions can have serious long-term repercussions for individuals, families and society as a whole.

"Happiness is first of all a gift of God that is received by following the unexpected paths of God's will. These ways are demanding, but they are also a source of joy. Look at Mary: invited to take a surprising and disconcerting path, her willingness makes her enter a joy that all generations will sing."

— Pope Benedict XVI

Our goal is to make the Scriptures come alive. Beginning this week, January 11, you are invited to join one or all eight sessions. Our closest session is in Charlotte on Wednesday evenings from 7:15-9:00 PM at 294 Burley Rd., off Lake Ave. just north of Riverside Cemetery.
